Circular letter from the Secretary to the Government of India, Public Works Department, (Account—Buildings and Roads,) to the Governments of Madras, Bengal, the North Western Provinces and the Punjab, the Chief Commissioners of the Central Provinces, Oudh, British Burmah, and Mysore, the Resident at Hyderabad; the Agents of the Governor-General for Central India and Rajpootana, and the Superintendent of Port Blair and the Nicobars, dated Simla, 8th June 1871, No. 24 P—W.

It has been brought to the notice of the Government of India by the Accountant-General in this Department, that in almost every province there are Public Works Divisions in which the prescribed register of public buildings is either not kept up at all, or is not kept in proper form. I am directed to invite attention to this matter, and to request that all Executive Officers of this department, who have public buildings under their charge, may be instructed to open and complete at once, where this has not been done already, an Office Register of such buildings in the Public Works Code Form No. 96, and to take care that it is regularly kept up for the future

As we are so constantly referred to this Code, I would beg that I may be supplied with a copy of it if available in your office.
