*Proceedings of the Madras Government, Public Works Department.
27th June 1871.*

Read the following papers.—

No 475. From the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 5th June 1871, No. 728.

I HAVE the honour to forward, for the most favourable consideration of Government, copy of a petition from V. S. Nagabhooshanarow, a passed candidate, who was appointed by me as Deputy Accountant in the No. 4 Range Office, Godavery District, praying to be exempted from the restrictive order of the Government of India, as regards age on date of first entreatment.

2. From the several answers to queries put by the Controller of Public Works Accounts, most of which, so far as this office is concerned, have been verified, it is evident that Nagabhooshanarow cannot be affected by this recent ruling of Government, I have therefore to request that the Controller of Public Works Accounts may be authorized to pass the salary due to the above named Deputy Accountant.

REFERRED to the Controller of Public Works Accounts with a view to the services of Nagabhooshanarow being verified and a report made to Government.

(Signed) J CARPENDALE, Colonel, R.E.,
14th June 1871. *Secretary to Government.*

No. 476 From the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 16th June 1871, No. 740.

IN returning the enclosed papers, which were referred to me on the 14th instant for report, I have the honour to state that, from the records of this office, I find that the services of Nagabhooshanarow in the Public Works Department are as follow:—

(1.) From 3rd July to 31st August 1868, as writer on the temporary Survey Establishment, sanctioned in G. O., No 2,733, dated 26th August 1868.

(2.) From 26th June to 26th August 1869, as Overseer's writer in No. 4 Range of the Nellore District.

(3.) From 1st September 1869 to 31st March 1871, as Draughtsman on the temporary Survey Establishment employed in the office of the Superintending Engineer, 1st Division.

(4.) From 10th April 1871, as Deputy Accountant in the Office Establishment of No. 4 Range of the Godavery District.

2. There is no information in this office to enable me to explain the cause of Nagabhooshanarow's services having been dispensed with at the end of August 1868,

bat, as regards his employment as Overseer's writer, I observe from reports
1 Month on emergent private affairs from 27th August 1869
1 Month and 15 days sick leave from 27th September 1869

submitted by the Officer in charge of the Range in which he was employed that Nagabhooshana obtained leave on private affairs and medical certificate, with forfeiture of pay, from the 27th August 1869, and that, prior to its expiration, he resigned his appointment.*

3. Seeing that Nagabhooshana's employment, except for the period intervening between the 26th June and 26th August 1869, was temporary, this office declined to pass his salary for April 1871, pending the receipt of information regarding age, as required by the notification of the Government of India, dated 20th January 1871, re published at page 179 of the Port St. George Gazette of the 31st idem.

No 477.

ORDER THEREON, 27th June 1871, No. 1,721.

ESTABLISHMENT, No. 57.

The foregoing letter from the Controller will be communicated to the Superintendent Engineer of the 1st Division with reference to his letter of the 5th June 1871, No. 728. Major Fischer will furnish the Controller with the information he requires, and his attention will be drawn to the apparent discrepancies in Nagabhooshana's replies as given in his petition of the 26th May 1871. His age on first entertainment (July 1869) is given as 24, and when last entertained on the permanent establishment (10th April 1871) as 25, whereas he would appear to have been on the latter date 27 years of age.

2. It further appears that although he obtained private affairs and sick leave on the 27th August and 27th September 1869 respectively while ostensibly a member of the permanent establishment, he took up the appointment of Draughtsman on the temporary establishment on the 1st September, and on the 21st October 1869 resigned his permanent appointment. This proceeding should be explained when the papers are again laid before Government.
