Account.

SIR,—With reference to paragraph 9 of Colonel Orr's letter of the 8th February 1871, No 390, and to my letter of the 19th June 1871, No. 1,652, I am

directed to forward, for the information of the Government of India, the accompanying Proceedings of Government in the Financial Department, dated 7th June 1871, No 216, giving in a tabular form the estimated expenditure from Local Funds by Public Works Officers, which it is believed is as close an approximation as possible to what will be the actuals, and the contributions from those funds to meet the cost of Public Works Establishments in addition to the provision made for the purpose in the Imperial and Provincial Budgets is also exhibited. The details may vary considerably hereafter when they have been finally considered by the Local Boards, but the total amount to be expended by Public Works Officers, namely, Rupees 30,86,630, will not, it is expected, vary much, while the contribution from Local Funds on account of Public Works Establishments, namely, Rupees 7,01,670, will be adhered to.

I have the honour to be,

Sir,

Your most obedient servant,

(Signed) J. CARPENDALE, Colonel, R.E.,

Secretary to Government.
