have therefore nominated Nagalingum Pillay to act again as Overseer and in the same talook. From what I know and hear of Nagalingum Pillay, I consider him to be an honest, trustworthy, and efficient man, and well fitted for the appointment of Talook Overseer. I am aware that the sanction of Government should ordinarily be obtained prior† to the appointment of an unpassed candidate as Talook Overseer; but seeing that Nagalingum Pillay has already been permitted‡ to

February 1865. He has held various
posts in the P. W. D. & is a good
executive agent as well as Office man.
During the time he was under my
orders as Overseer of the Melur taluk
I had every reason to be satisfied
with his conduct & I consider him a
more than ordinarily efficient executive.
