No. 520. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 21st June 1871, No. 782 —

In inviting attention to the orders of the Government of India communicated with the Proceedings of this Government as per margin, I have the honour to request that you will be so good as to inform me whether the permission granted by the Supreme Government in their Secretary's telegram of the 3rd July 1870, recorded in the first of the orders marginally noted, for prosecuting works in the Godavery Delta which were in progress in 1869-70, is to be considered applicable also to works carried on in 1870-71. Referring to paragraph 7 of the letter from the Government of India, communicated with the second of the orders of this Government herein adverted to, I observe that no restriction is imposed on the grant for the "Extension of Irrigation in the Western Delta," although the estimates for the work are required to be submitted as early as possible.

2. Pending the receipt of orders on this reference, I have included the outlay in April on Item 25 of the revised Imperial Budget in my statement of Objectionable Items for that month.

No. 521. ORDER THEREON, 30th June 1871, No. 1,745.

IRRIGATION, No. 25.

THE Controller of Public Works Accounts will be informed that, as no restriction has been placed either by the Government of India or this Government on the Budget provision for the "Extension of Irrigation in the Western Delta" of the Godavery, any outlay that may be incurred from the allotment should, until such time as orders are passed on the estimates, be regarded as regular.
