Proceedings of the Madras Government, Public Works Department, 30th June 1871.

No. 522 Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Bellary, 16th June 1871, No. 470 —

With reference to Notification in the *Fort St. George Gazette*, dated 13th instant, promoting Lieutenant R. F. Taylor, Assistant Engineer, 1st grade, to Executive Engineer, 4th grade, I have the honour to observe that Lieutenant Taylor proceeded in July 1870 on furlough for two years

2 As Mr. Fraser, C E, has been transferred from the Kurnool to the Bellary District, and will assume charge of the Bellary Range from Lieutenant-Colonel Palmer, proceeding on furlough, I have the honour to request that the services of an officer may be placed at my disposal to take charge of the Kurnool Range

3. As a temporary arrangement I intend, on his arrival, posting Mr. R H. Hayes, Supervisor, 2nd grade, in charge of the Kurnool Range, but, considering the importance of the charge I beg for the services of an officer, as there are, besides the usual works, one or two irrigation projects to be matured. Mr. Hayes will then be employed on some surveys.

No. 523 Order thereon, 30th June 1871, No. 1,746.

ESTABLISHMENT, No. 63.

The Government regret that they are not at present in a position to appoint an officer for the charge of the Kurnool Range, but they will be prepared to do so as soon as the exigencies of the service will permit of the arrangement.
