*Proceedings of the Madras Government, Public Works Department,
1st July 1871.*

Read the following papers :—

No. 13. Endorsement of the Controller of Public Works Accounts, dated Madras, 5th June 1871, No. 620.

From the Acting Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, through the Controller of Public Works Accounts, dated Camp at Cochin, 30th May 1871, No. 43.

UNDER the rules circulated with G. O , No. 3,306, of 24th October 1867, I have the honour to request the sanction of Government to write off to "profit and loss," from the Accounts of the Coimbatore Range Officer, the sum of Rupees 163-13-11, being the difference between the original and present value of certain stock articles in his charge.

SUBMITTED for the sanction of Government, with reference to G. O , No. 2,375, dated 1st October 1870.

(Signed) S. BROCK,
Controller of Public Works Accounts.

No 14. From the Acting Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Coimbatore, 20th June 1871, No. 54.

WITH reference to your memorandum No. 64, of 9th June 1871, I have the honour to submit the list of Stock Articles therein called for.

Register of Stock Articles in the Coimbatore Range.

Name of Articles	No	Original value			Present value			Remarks
		RS	A	P	RS	A	P	
Hinges, brass	No. 19	16	5	8	4	12	0	These are old stores descended from the late District Engineer's stock. The locks are out of repair and quite unserviceable. The iron-screws are now rusted and of little value. Generally these articles can now be purchased in the local market at the rates shown in the column of present value.
Locks, brass	" 4	7	12	7	0	8	0

Screws, iron	.. No 58	1	0	10	0	8	0	
Iron palisading with iron pieces	1	294	0	0	150	0	0	Original price charged in Department Public Works Workshop was very high. After being used at the Coimbatore Central Jail three lengths were found in excess; these were cut down and partly used in Talook Cutcherries at proportionate value, one full length and detached pieces only remain, which would certainly not fetch more than Rupees 150, and, if sold by auction, probably less. Difference recommended to be written off, Rupees 163-13-11
