No. 18. Endorsement of the Marine Department, dated Fort St. George, 7th June 1871.

From the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 30th May 1871, No. 568.

I HAVE the honour to request the orders of Government as to the source from which the salary of Mr. Harris, sent out by Her Majesty's Government to superintend the reconstruction of the Madras Pier, is to be defrayed in the current official year.

2. In 1870 71 a grant of Rupees 4,347 was sanctioned for the work from Port Funds, and against that grant Mr. Harris' pay* and allowances† were passed. In the current year, however, no grant has up to this time been sanctioned, and the salary already passed to Mr. Harris for the months of March and April 1871 will therefore have to appear as unauthorized in my statements of Objectionable Items for April and May unless an allotment be at once made to meet the charge.

	Rs.
* Salary	200
† Carriage allowance	60
House-rent	50
Total .	310

3. Mr. Harris is, I understand, now doing duty in the Public Works Workshop, under the orders of the General Superintendent.

4. Awaiting an early reply.

REFERRED to the Marine Department with a view to its being considered in that department whether the retention of Mr. Harris' services for the Madras Pier is any longer necessary; if so, a grant will require to be made from Port Funds to meet his salary and allowances.

No. 19. From the Master Attendant, Administrative Department, Madras, to the Acting Chief Secretary to Government, Marine Department, dated Madras, 5th June 1871, No. 3,297.

IN returning the Proceedings of Government marginally noted, forwarded to me for early report, relative to the salary of Mr. Harris, late Foreman Superintendent of the Madras Pier Works, I have the honour to point out that his services should have been dispensed with by the Public Works Department so soon as the Government decided that the repairs of the northern side of the pier were not to be carried out.

Letter from Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, No. 568, of 30th May 1871.
Endorsement thereon of Secretary to Government, Public Works Department, dated 31st May 1871.
Do do of Acting Chief Secretary to Government, Marine Department, dated 1st June 1871

2. I would therefore deprecate any sum of money being allotted towards Mr. Harris' salary, from and after the date of that decision, from the General Port Fund, more especially as I understand that since then his services have been rendered to the Department of Public Works.

3. As I know, however, from personal observation that Mr. Harris is an excellent Foreman, I strongly recommend that he be placed under the orders of the Superintending Engineer, 7th Division, with a view to his being employed on the Cochin Protective Works.

TRANSFERRED to the Public Works Department for disposal.
