*Proceedings of the Madras Government, Public Works Department,
5th July 1871.*

No. 62. Read the following letter from the Acting Superintending Engineer, 8th Division, to the Secretary to Government, Public Works Department, dated Madura, 23rd June 1871, No. 970 :—

WITH reference to my letter, No. 734, dated 6th June 1871, paragraph 10, stating that I had appointed Sub-Engineer Mr. D. McNair to the charge of No. 3 Range, Tinnevely, I have the honour to report that as the Executive Engineer in charge of the Irrigation Range, Tinnevely, represents that it is very detrimental to the interests of Government that Mr. McNair should be removed from his sub-division, I have deputed in his place Assistant Engineer Mr. W. Hughes to the temporary charge of No. 3 Range, pending the arrival of the experienced officer solicited in my letter No. 447, dated 19th May 1871, paragraph 19.

2. As the works for the completion of the Streeviguntum Anicut Project are unfortunately at a stand-still at the present moment, the services of Mr. Hughes can be spared temporarily without inconvenience for the charge of the range in question, and I trust therefore that the Government will be pleased to approve of this arrangement, pending the arrival of the gazetted officer needed.

3. For fear of any misapprehension in the matter, I think it as well to state that as Mr. McNair is so intimately versed in all the details of the range, I consider it advisable that he alone should conduct the investigation of the charges brought against Overseer Chockalingum Pillay now in charge of No. 3 Range, Tinnevely, the more especially as this investigation need not occupy him more than a few days.

No. 63. ORDER THEREON, 5th July 1871, No. 1,781.

ESTABLISHMENT, No. 12.

THE Government approve of Mr. Hughes being placed in charge of No. 3 Range, Tinnevely, and of Mr. McNair

being deputed to investigate the charges against Overseer Chokalingum Pillay if that be the arrangement contemplated in paragraph 3.

2. Colonel Roberts' attention will be requested to G. O., No. 1,664, dated 20th June 1871, which does not appear to have reached him at the date of this letter.
