*Proceedings of the Madras Government, Public Works Department,
7th July 1871.*

No. 90. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 23rd June 1871, No. 1,271 :—

WITH reference to paragraph 5 of G. O., No. 1,299, dated 12th May 1871, I have the honour to observe that if there is any objection to debiting the cost of the establishment required for extra Overseer Runganadum Moodely to the Presidency District, while he is doing duty in the Mount Range of the Chingleput District, such establishment may be transferred to the latter district only.

2. My reason for entering the establishment against the Presidency District was that two establishments for two extra Overseers would not be sanctioned by Government for one and the same district.

3. In G. O., No. 1,137, dated 15th April 1865, three extra Overseers have been sanctioned at the rate of one for each of the three districts comprised in this division, and every one of them must have an establishment, even though they may be employed in one or more districts, according to the exigency of the public service.

No. 91. ORDER THEREON, 7th July 1871, No. 1,795.

ESTABLISHMENT, No. 15.

UNDER the explanation afforded in this letter the Controller of Public Works Accounts is authorized to pass the salary of the temporary establishment for extra Overseer Runganadum, for which provision has been made in the statements appended to G. O., No. 1,299, dated 12th May 1871.
