*Proceedings of the Madras Government, Public Works Department,
7th July 1871.*

No. 130. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 20th June 1871, No. 932:—

I HAVE the honour to acknowledge receipt of G. O. of the 31st May 1871, No. 1,486, and with reference thereto I beg to submit the following for the consideration of the Government.

2. By paragraph 3 of G. O. of the 6th March last, No. 658, the salary now passed to me is put down as below:—

	RS.	A.	P.
Staff	800	0	0
Military allowance	293	10	0
Total ...	1,093	10	0

and this was allowed me before I was gazetted to my present appointment, as being the salary of my former appointment before going to Nagpore.

3. If I elect then to remain by the old rules the salary should be as follows on my promotion to Lieutenant-Colonel:—

	RS.	A.	P.	
Staff	800	0	0	} 2nd Class Lieutenant-Colonel.
Military allowance	576	9	0	
Total... ..	1,376	9	0	
Staff	800	0	0	} 1st Class Lieutenant-Colonel.
Military allowance	758	12	0	
Total... ..	1,558	12	0	

making a difference to me of Rupees 50 a month according to the old rules, and which I earnestly and respectfully solicit the Government will be pleased to grant to me.

4. I beg further to point out the circumstance of the Controller having now been graded as 2nd class does not apply to me, as I purpose to abide by the old rules, and even on my transfer to Nagpore the Government of India provided I should draw my staff salary of Rupees 800 a month, and by their Notification of the 5th October last the new rules are not to affect the substantive salaries drawn by any officer.

5. I have now been 20 years in the department, and I trust the Government will be pleased to take this circumstance into consideration in deciding upon my case; by being debarred the privilege of electing the new rules, I lose all the emoluments at present enjoyed by those of my own standing in the service, and it will be a chance only if I obtain any further increase by promotion regimentally, the Government have already most considerately allowed I should not suffer any loss in my present position, and I trust this liberality may be continued to me if I should get any promotion.

Proceedings of the Madras Government, Public Works Department,

No. 104.

ORDER THEREON, 7th July 1871, No. 1,802.

ESTABLISHMENT, No. 17.

THE Government are not disposed to modify their Orders of the 31st May 1871, No. 1,486.

2. Whatever claim an officer may be supposed to have to a personal allowance, in order that the income which he formerly enjoyed may be continued to him, it ceases immediately on his promotion either departmentally or regimentally whereby his official income may be increased. So, in the present case, Major Fischer is now receiving a personal allowance of Rupees 100 to make up what he is strictly entitled to to Rupees 1,093-10-0, but as on his promotion regimentally he would, if he continued to be employed as at present, receive Rupees 1,276-9-0 in the department, he would no longer have any claim to a personal allowance.
