*Proceedings of the Madras Government, Public Works Department,
11th July 1871.*

No. 156. Read the following letter from the Acting Chief Engineer for Irrigation, to the Secretary to Government, Public Works Department, dated Madras, 22nd June 1871, No. 36 :—

* No. 268, 19th June 1871.

I HAVE the honour to submit a letter* from the Agent and Manager,

Madras Irrigation and Canal Company, together with a statement showing the result of the sale of the Company's Stores in Nellore. The sale was authorized by this office under the sanction conveyed in Government Order No. 1,438, dated 4th May 1866.

2. The book value of the stores is Rupees 1,805-0-4. The amount realized by their sale is Rupees 267-11-0, showing a loss of Rupees 1,537-5-4 to be written off the books, for which sanction is required.

From the Agent and Manager of the Madras Irrigation and Canal Company, to the Chief Engineer for Irrigation, dated Madras, 19th June 1871, No. 268.

I HAVE the honour to hand you a statement exhibiting the amount realized by the sale by auction of sundry stores in Nellore in comparison with the book value thereof. A net loss of Rupees 1,537-5-4 is shown, your instructions for the adjustment of which are requested.

2. The stores here enumerated were in very bad condition, and would not have paid for removal to Madras. For instance, the bulk of the Cassuarina poles were in the state of touchwood and the timber and carpenters' benches very little better, and the scaffolding ropes had deteriorated by being stowed for several years in a close room away from the air, and, moreover, had been bought at a price much beyond the retail bazaar rate. None of the ropes had ever been used.
