Read—

NOTE by Accountant-General, Public Works Department, dated 20th May 1871, proposing that in the case of any part of a work having from any cause to be pulled down and re-built to any serious extent, the extra charge for re-construction should be shown in the accounts of the work as a distinct sub-head, additional to the original sub-heads of the estimate.

RESOLUTION.—The Governor-General in Council approves of the Accountant-General's suggestion, and directs that the following addition be made to paragraph 18, Section I., Chapter XIX. of the Public Works Code :—

Paragraph 18A.—In cases where any part of a work may, from any cause, have to be pulled down and re-built to any serious extent, sensibly affecting the cost and rates of the work, the extra charge for re-construction should be shown in the accounts of the work as a distinct sub-head, additional to the original sub-heads of the estimate.
