No. 176. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 3rd July 1871, No. 1,413:—

WITH reference to the notification in the *Fort St. George Gazette*, page 878, dated 6th June 1871, granting privilege leave for one month to Lieutenant Walker, the Assistant Engineer, Chittoor Range, North Arcot District, I have the honour to report that this leave was availed of from the 5th to the 8th; on that day he came to Madras, where he remained until the 24th, the day on which he returned to the head-quarters of his range. As it was inconvenient to give another officer charge of his range, I ordered Lieutenant Walker to resume charge of his office, and, though nominally on leave in Madras, he was actually in charge of his range and transacting the duties thereof.

2. Under these circumstances I would ask Government to allow his leave only to count up to the 8th, and not from date of his return to head-quarters, namely, the 24th.

No. 177. ORDER THEREON, 12th July 1871, No. 1,829.

ESTABLISHMENT, No. 21.

As Lieutenant Walker was beyond the limits of his range between the 8th and 24th June 1871, and practically on privilege leave though performing to some extent the clerical duties of his office, the Government consider that he cannot be regarded otherwise than on leave during that period.
