Proceedings of the Madras Government, Public Works Department, 23rd January 1871.

No. 377. Read the following letter from the Superintending Engineer, 6th Division, to the Secretary to Government, Public Works Department, dated Tanjore, 14th January 1871, No. 886:—

I HAVE the honour to inform you that the new Post Office at Tanjore, sanctioned in G. O., No. 3,100, of the 23rd September 1869, has been completed at a cost of Rupees 3,316-3-5, which is Rupees 156-3-5 in excess of the estimate, and Rupees 292-4-11 in excess of the current year's allotment for the work, as only Rupees 3,000 were allotted for it in the Budget. The excess of Rupees 156-3-5 is within 5 per cent. of the estimate, and is due to teak-wood having been used for the roof instead of palmyrahs, as originally provided in the estimate, with a view to render the building more durable, but as under the existing orders no special allotment is required to cover excesses below 500 Rupees over allotments for works, I request authority may be granted for charging to the work the excess expenditure of Rupees 292-4-11 over the current year's allotment, above adverted to, without a specific allotment.

Estimate Rupees 3,160.
