No. 381. Read the following Proceedings of the Government of India in the Public Works Department, (Railway,) dated Fort William, 20th December 1870, No. 2,052-R. :—

Public Works Department Resolution Nos. 217—21-R., dated 2nd February 1870.

RESOLUTION.—In consequence of a change of practice introduced by the Secretary of State in December 1869, copies of letters from the Directors of the Guaranteed Railway Companies to their Agents in India are no longer invariably communicated to the Governments in India. It is, however, desirable that the Consulting Engineers should be fully acquainted with all matters connected with the business of the Railways, and those officers should, therefore, understand that it is a part of their duty to inspect from time to time the Agent's files of these letters, so that they may be cognizant of all matters of importance discussed in them, and be in a position to take any action that may in any case seem to be called for.

ORDER.—Ordered, that this Resolution be forwarded to the Governments of Bengal and the Punjab, and to the Administration of Oudh, for information and guidance.

Also, to the Governments of Madras and Bombay for information.
