Proceedings of the Madras Government, Public Works Department,
17*th July* 1871.

No. 265. Read the following Endorsement of the Acting Consulting Engineer for Railways, dated Madras, 30th June 1871, No. 295 :—

From the Agent of the Great Southern of India Railway, to the Acting Consulting Engineer for Railways, dated Negapatam, 26th June 1871, No. 4,085.

As the sanction accorded in G. O., No. 1,582, will lapse at the end of next month, I have the honour to request that Government may be moved to authorize an additional sum of Rupees 10,500 to be expended in August next in the maintenance of the Chief Engineer's present staff.

SUBMITTED to Government.

2. The Government of India in a letter No. 931 R., dated 31st* May 1871, sanctioned the disbursement of a sum sufficient to cover the preliminary expenses in connection with the Southern Extension to Tuticorin of the Great Southern of India Railway, at about the same monthly rate as that now applied for during the months of June and July; and as it is very unlikely that the revised estimates can receive the sanction of Government before the end of September, I would recommend that a sum of Rupees 21,000 be sanctioned to meet the expense during August and September.
