Statement of Unadjusted Miscellaneous Advances of more than three months' standing in the Accounts of Range Officers of the Madras Presidency for the quarter ending 31st March 1871.

No. of Item.	Amount.	To whom advanced.	For what purpose advanced.	When advanced.	Remarks by Range Officer.	Remarks by Superintending Engineer.	Remarks by Controller.	Orders of Government.
								No. 275 & 276, 17th July 1871, No. 1,880. ACCOUNT, No. 23.
	Rs. A. P.		1st Division. *Ganjam District.*					
1	45 0 0	Survey Establishment.	Surveying Local Fund Roads.	October 1870 ...	.....	Will be adjusted on the receipts of quarterly bills from the Range Officer.	These advances for Local Surveys were made under the system in force prior to the issue of G. O., No. 1,515, dated 5th June 1871, and have to be adjusted on quarterly bills to be passed by the Board of Revenue. The order quoted, however, prescribes that before Local Fund Surveys are hereafter undertaken, there shall be a sanctioned estimate and a specific allotment of funds, so that items like the present will not find a place in future statements.

Statement of Unadjusted Miscellaneous Advances of more than three months' standing in the Accounts of Range Officers, etc.—(Continued.)

No. of Item.	Amount.	To whom advanced.	For what purpose advanced.	When advanced.	Remarks by Range Officer.	Remarks by Superintending Engineer.	Remarks by Controller.	Orders of Government.
	Rs. A. P.		2nd Division. *Kistna District.*					
10	20 0 0	K. Seeturamadu	For making earthen pipes or pot sluices.	December 1870.	The pot-maker, to whom this advance was made, has not made the pipes. He is an inhabitant of Duggirala, and is likely to clear off the advance shortly.	The Range Officer has been directed to recover the advance as soon as possible.	*Nil.*	2. Every effort should be used by the Superintending Engineer to relieve the Miscellaneous Advance Account of these advances, some of which are of long standing.
11	31 6 1	To be recovered from villagers.	For repairing the Manbri tank at Chandrala.	In August, September, and December 1870.	Will be adjusted as soon as the money is recovered from the villagers.	The Collector has again been requested to recover this money.	Rupees 29-14-1 appeared in the last quarter's statement.	
12	36 6 10	To be recovered from villagers of Divi division.	On account of trifling repairs to tanks, etc.	From 1865 to 1868.	The Tahsildar and the Collector have been requested to recover the amount from the parties concerned.	*Vide* Range Officer's remarks.	No recoveries have been made since last return.	
13	18 0 0	To be recovered from villagers.	For closing breaches of Polrazucodu near Madimpully.	March 1870 ...	Do. do.	Do. do.		
			Nellore District.					
14	25 13 3	To Lascars ...	For surveying Bobu Row's Chuttrum Road.	25th December 1870.	Quarterly bill has been sent to the Superintending Engineer for submission to the Board of Revenue for sanction.	This will be adjusted in the quarter ending 30th June 1871.	*Vide* first remark ...	3. It is observed that the Superintending Engineer will arrange for the adjustment of the first and the Controller for the second of these items.
15	1 14 0	Coolies ...	For surveying Parkala road to Bunganapilly Kotar.	October 1870 ...	This is an Imperial road, but no preliminary estimate has been sanctioned. On the receipt of an order from the Superintending Engineer for an estimate for the construction of this road the Overseer in charge of that taluck has been ordered to send a survey and estimate, but the Overseer instead of surveying the Line with his Government lascars, employed coolies and charged Rupees 1-14-0 in his accounts. The Overseer has been requested to remit the amount, but not yet received.	*Nil.*	This Office will see to the recovery of this unauthorized advance.	
			3rd Division. *Bellary District.*					
16	26 12 11	Contractor, Peddapully upper anicut and channels.	For work executed under the head "Village Labour."	March 1869 ...	The Head Assistant Collector in his letter No. 327, of 23rd November 1870, stated that the ryots promised before him to pay the amount. The ryots now appear unwilling to do so, and have petitioned on the subject to the Head Assistant Collector, who informed me some time ago that there was no probability of recovering the sum,	The Head Assistant Collector, to whom a reference on the subject was lately made, informs that he has no authority to collect the amount due by the ryots, and that the ryots failed to abide by their promise; recommends therefore that this sum be charged to current year's grant "Repairs Agricultural," with a view of relieving the Advance Account of this item.	The orders of Government are requested on the Superintending Engineer's proposal in respect to the adjustment of these advances, which also appeared in last quarter's statement.	4. The Superintending Engineer will report with reference to Item 16, the grounds on which the ryots decline to admit their liability.
			Cuddapah District.					
17	6 1 6	Work-people ...	Ryots' share of repair to the head sluice of Venkiah Calva channel.	November 1869.	The Tahsildar of Jummulmudgoo reports that the Inamdars who should pay this amount are absent from their villages, and that the lands on which this money is collected have been laying waste.	Under these circumstances recommends the sum being charged to the current year's grant for "Repairs Agricultural," with a view of relieving the Advance Account of this item.	Do. do.	5. As there seems little probability of recovering the small sum appearing as Item 17, the amount may be debited to "Repairs Agricultural" as recommended by the Superintending Engineer, and, with reference to the remaining items, Colonel Moberly will expedite the submission of the report called for in paragraph 5 of the orders on the previous quarter's statement.
18	1 8 4	Do. ...	Do. do. to Makavaripully big tank.	Do. ...	Advances are being recovered from time to time by the Revenue authorities.	Rupees 10 have been recovered and adjusted since the quarter ending 31st December 1870. The balance will be recovered and adjusted as soon as practicable.	The recovery of Rupees 10 referred to by the Superintending Engineer was made from the advance authorized on account of repairs to the Godlanad tank. See statement for quarter ended 31st December.

29	1,250 0 0	On account of Davastanum Manager.	Closing breaches in Davastanum, Marannecolum, and Anay Papancolum tanks.	November 1868.	These amounts were expended by Department Public Works Officers in closing the breaches of these works and charged to the head "Miscellaneous Advances."	The Collector was addressed, with a view to the recovery of this expenditure, on the 4th February 1870. Reminders on the subject have been sent to him on the 29th March 1870 and 19th January 1871, but as no reply has as yet been received, a further reminder has been addressed to him this day.	*Vide* paragraph 14 of the orders passed by Government on the statement for the quarter ended 31st December 1870.
