*Proceedings of the Madras Government, Public Works Department,
18th July 1871.*

No. 302. Read the following Proceedings of the Board of Revenue, dated 26th June 1871, No. 2,550 :—

Read the following letter from the Acting Collector of Madura, to the Acting Secretary to the Board of Revenue, dated 26th May 1871, No. 157.

I HAVE the honour, under the Board's Standing Circular No. LXXXV., dated 16th November 1865, to submit the usual report on the progress made in the improvement of salt roads in the district during the official year 1870-71.

2. Enclosed is a statement of the salt lines in the district showing the allotment and expenditure on each.

3. The three lines Nos. 1 to 3 are Imperial roads and are in charge of the Public Works Department. The sums noted in the margin were spent in constructing portions of them as well as in keeping in repair the portions already made. The fourth is a local road and is now under construction. No sum was spent on Nos. 5 and 6. These roads will be put in good order from the Local Funds as funds become available.

4. Nos. 7 to 11 are branch salt lines connecting the salt stations with the main road. The Salt Deputy Collector reports that they are in pretty good condition. I have urged upon him the necessity of utilizing in future the whole of the allotments for these roads.

5. No money was laid out on No. 11. It is a sandy track and it will be useless to spend any money on it.
