*Proceedings of the Madras Government, Public Works Department, 22nd July 1871.*

No. 388. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 26th June 1871, No. 1,005 :—

I HAVE the honour to forward, for the favourable consideration and orders of Government, the accompanying letter, with enclosures, received from Supervisor T. Ramiah in charge of the Kimedy Range.

* One original application from Supervisor T. Ramiah with its eight enclosures, (to be returned.)

2. From the records of this office I observe that Ramiah was in the year 1864 selected for the special duty of superintending the Public Works in the Kimedy Estate under the Court of Wards. He has been now in charge of those works upwards of six years, and from the copies of testimonials and correspondence which accompany his application for promotion, he appears to me to be deserving of some extra remuneration, especially as his services in the Kimedy Estate are so highly appreciated.

ESTABLISHMENT, No. 47.

THE Government are unable to sanction Supervisor Ramiah's promotion, as a special case, but will consider the recommendation in his favour when an opportunity offers for his advancement in the ordinary course.
