Proceedings of the Madras Government, Public Works Department, 24th July 1871.

No. 396. Read the following Endorsement of the Acting Chief Engineer for Irrigation, dated Madras, 10th July 1871, No. 42:—

From the Agent and Manager of the Madras Irrigation and Canal Company, to the Acting Chief Engineer for Irrigation, dated Madras, 1st July 1871, No. 286.

Repairs of Ayaloor Bungalow.

With reference to G. O., No. 1,482, of 31st May 1871, communicated in your No. 50 of 6th ultimo, I have the honour to inform you that the Chief Engineer, upon whom I called to furnish the necessary explanation, states that the repairs of Ayaloor bungalow for purposes of construction were authorized by him as a charge against the sanctioned construction contingencies after consulting Major Mullins on the spot and finding that he considered *that* a proper course. This verbal acquiescence the Chief Engineer seems to have considered a sufficient authority, and the bill of costs (which differs from an estimate, in that it is a statement of expenditure *already* incurred) was only sent in when called for by this office.

2. The estimate of Rupees 200 will require sanction, as it has now been decided that the bungalow is to be a permanent one, and is to be used as the residence of the Assistant Engineer. The question of replacing the verandah was left in abeyance by the Chief Engineer pending the settlement of the question of permanence.

Submitted to Government, with reference to their Proceedings, No. 1,482, of the 31st May 1871.

No. 397. Order thereon, 24th July 1871, No. 1,941.

IRRIGATION, No. 22.

Under the explanation given above the bill of costs for the repair of the Ayaloor bungalow, amounting to Rupees 1,093-6-4, which is stated to have been incurred from the contingencies of the section of the main canal in which the bungalow is situated, is sanctioned as a charge against Capital, and the estimate, amounting to Rupees 200, for further repairs consequent on its being decided to maintain the building permanently, is sanctioned as a charge against Revenue.

Chief Engineer for Irrigation

and Joint Secretary to Government

Madras

Sir,

Repairs of Ayaloor Bungalow.

With reference to G. O. No. 1482 of 31st May 1841 communicated your No. 50 of 6th ultimo I have the honour to inform you that the Chief Engineer, upon whom I called to furnish the necessary explanation, states that the repairs of Ayaloor Bungalow for purposes of construction were authorised by him as a charge against the Sanctioned Contingencies after consulting Major Mullins on the Spot and finding that he considered that a proper course. This verbal acquiescence the Chief Engineer deems to have considered a sufficient authority and the Bill of costs (which differs from an Estimate in that it is a Statement of expenditure already incurred) was only sent in when called for by this Office.

The Estimate of Rupees 200 will require Sanction as it has now been decided that the Bungalow is to be a permanent one, and is to be used as the residence of the Assistant Engineer. The question of

of replacing the verandah was left in abeyance by the Chief Engineer pending the settlement of the question of permanence - [illegible].
