No. 43.

Residency Office,
Trivandrum, 5th July 1871.

From

G. A. Dallard Esq.
Resident in
Travancore & Cochin

To

H. Cuddleston Esq.
Actg. Chief Secretary to Government
Fort Saint George

Sir,

I have the honor to acknowledge the receipt of Government Order dated 12th June 1871 No. 1567 and with reference to para 6 of the letter from the Actg. Superintending Engineer, "Division I would observe that plan and estimate for the embankment across the Estuary a little inland from the site of the gap at Mallapuram was submitted by the Chief Engineer of the Cochin Sarkar, approved and recommended by the late Acting Resident, and sanctioned by the Sarkar and commenced last year.

2. The work has made considerable progress, about Rupees 3,304-11-10 (out of a total estimate of Rupees 8,893-15-) have been expended

x Rs. 8,893-15-

x to 15th June last.

-ed and work was progressing vigorously when I had an opportunity of visiting the place about a fortnight ago.

3. Whatever opinion may be arrived at as to the propriety of the work originally it has so far progressed, now that it seems to me desirable it should be complet-ed. If Government take this view it would seem no purpose to express disapproval of the work at the present stage.

4. I do not propose therefore bringing the Ag: Superintending Engineer's remarks in para 6 of his letter above mentioned to the notice of the Cochin Sarkar further than to suggest that the continuation of the two stone groynes on the seaward side of the low sand bank be taken into consideration by the Cochin Sarkar Engineer in connection with the embankment work

I have the honor to be
Sir
Your Most Obedient Servt
[illegible]
Resident
