Proceedings of the Madras Government, Public Works Department, 28th July 1871.

No. 484. Read the following letter from the Acting Chief Engineer for Irrigation, to the Secretary to Government, Public Works Department, dated Madras, 17th July 1871, No. 50 :—

THE Record-keeper in this office has applied to me for deputation allowance during the absence of the Manager on privilege leave from the 12th June to the 26th instant, and I beg to submit his application for consideration.

2. The Government Notification of the 24th August 1869, in the Financial Department, published in the *Fort St. George Gazette*, page 251, rules that deputation allowance is not to be granted to the substitute of an Uncovenanted Officer on privilege leave, unless it can be shown that the work performed by the absentee cannot be conducted during his absence without the appointment of a substitute. Under these circumstances, I should not have brought forward the claim of the Record-keeper were it not for the fact that Mr. Brock, the Head Clerk, also left the office, sick, on the 26th June on privilege leave, and died on the 1st instant, and his place was not filled by a fresh appointment till the 8th instant. In the interval the whole correspondence work of the office fell on the Record-keeper, and I think he is deserving of some extra pay.

3. Seeing, therefore, that by the non-employment of a clerk from the 2nd to the 7th instant a saving was effected in establishment to the amount of Rs. 9-10-10, I request sanction for the payment of this sum to the Record-keeper as a gratuity.

The Secretary to Government
Department of Public Works

Sir,

The Record keeping this Office have
applied to me for deputation allowance
during the absence of the Manager on
privilege leave from the 12th June to the
26th instant and I beg to submit, his
application for consideration.

2. The Government Ratification of the
25th August 1869 in the financial Depart-
ment published in the Fort St. George
Gazette page 251 rules that deputation
allowance is not to be granted to the
substitute of an Uncovenanted Officer
on privilege leave unless it can be
shewn that the work performed by the
Absentee cannot be conducted during
his absence without the appointment

of a substitute. Under these circum-
=stances I should not have brought
forward the claim of the Recordkeeper
were it not for the fact that Mr. Brock
the Head Clerk also left the Office sick
on the 26th June on privilege, commenced
died on the 1st Instant, and his place
was not filled by a fresh appointment
till the 8th Instant. So the interval
the whole correspondence work of the
Office fell on the Recordkeeper and I
think he is deserving of some extra pay

3. Seeing therefore that by the non-
employment of a Clerk from the
2nd to the 7th Instant, a saving was
effected in Establishment, to the
amount of Rupees 9-10-10 I request
sanction for the payment of this
sum to the Recordkeeper as a
Gratuity.
