Expenditure on Police Buildings.

READ the following :—

Extract from the Proceedings of the Government of India in the Home Department, (Police),—No. 397, *under date Simla, the* 22*nd June* 1871.

Read again the following papers on the subject of providing funds for petty construction and repair of buildings in the Civil Department.

Extract from the Proceedings of the Government of India, Public Works Department, No. 422-A. G., dated the 17th September 1870.

Resolution of the Financial Department, No. 1,659, dated the 20th March 1871.

RESOLUTION.—In September last the Public Works Department decided that provision for petty construction and repair of Police buildings should be made in the Civil Budget Estimate within the limits of Rupees 1,000 in each case, works requiring professional skill, and involving larger expenditure, being provided for in the Department Public Works Budget. The Financial Resolution of the 20th March last has authorized the transfer to the "Provincial Services" of the charge of petty construction and repair of buildings in the Civil Department. But the Government of India is desirous to know what is the total annual expenditure on Police buildings, whether in the Civil or the Public Works Department; and it is necessary, for the purpose of correct record, and to secure uniformity in the mode of showing what this outlay is that the Local Governments and Administrations should exhibit in their annual Police reports all expenditure incurred by them in petty construction and repair of Police buildings out of the Civil Budget, as well as the charges met from the Department Public Works Budget on account of larger works.

2. With this object in view, the Governor-General in Council desires that a statement in the following form may be submitted in each annual Police report :—

Statement showing the total expenditure during the year 187 - , *on Police Buildings in* ———.

Expenditure from Department Public Works Budget.	Rs.	As.	P.	Expenditure from Police Budget.	Rs.	As.	P.
(a.)—Repairs (above Rs. 1,000)				*(d.)*—Petty repairs (up to Rs. 1,000)			
(b.)—Minor works (above Rs. 1,000 and up to Rs.)				*(e.)*—Do. construction (up to Rs. 1,000)			
(c.)—Larger do. (above Rs.)				Total from Police Budget...			
Total from Public Works Department Budget				*(f.)*—Rate per man on the total sanctioned number of the Police of all grades ... Grand Total outlay...			
				(g.)—Rate per man on the total sanctioned number of Police of all grades ...			

3. It would be convenient if the amount to be expended on petty repairs and construction from the Civil Budget were determined by a fixed rate, say Rupees 1-4-0 per man, on the total sanctioned number of Police of all grades, leaving any further amount that the Local Government might desire to spend on Police buildings for entry in the Public Works Budget. But whether this suggestion be adopted or not, the rate per man should be shown in the statement both as regards the expenditure from the Civil Budget and as regards the total expenditure.

ORDER.—Ordered that this Resolution be communicated to the Local Governments and Administrations noted in the margin for information and guidance.

Governments of Madras, Bombay, Bengal, North-Western Provinces, and the Punjab; and Chief Commissioners of Central Provinces, British Burmah, Oudh, and Mysore.
