No. 39. Read the following letter from the Acting Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Coimbatore, 24th July 1871, No. 76 :—

WITH reference to G. O., No. 187, of 22nd July 1871, I have the honour to report that funds were not appropriated for Items 3 and 4 of the statement therewith received, as it was considered that a specific allotment of funds was not wanted, as the amount required was within the prescribed limitation of Rupees 500, *vide* my letter No. 57, of 24th June 1871; but on receipt of an answer from the Chief Engineer for Irrigation to my letter just quoted, the necessary funds were at once appropriated, and intimation of the same given to the Controller.

2. The fifth work was undertaken by the Range Officer on emergency; but as an estimate for it was not received in this office until the 10th June, I was not able to make the necessary appropriation for it earlier.
