Proceedings of the Madras Government, Public Works Department, 9th August 1871

No. 79. Read the following Circular letter from the Secretary to the Government of India, Public Works Department, (Account—General,) to the Governments of Madras, Bombay, Bengal, the North-Western Provinces, and the Punjab; the Chief Commissioners of Oudh, the Central Provinces, British Burmah, and Mysore and Coorg, the Resident at Hyderabad; the Agents to the Governor-General for Central India and Rajpootana, and the Superintendent of Port Blair, dated Simla, 12th July 1871, No. 34 —

THE attention of His Excellency the Governor-General in Council having been drawn to numerous instances which have recently come to light of Executive Engineers having, in the execution of works, departed from the sanctioned dimensions and specifications without the knowledge or sanction of higher authority, and without intimating the same to the Controller, I am directed to request that Executive Engineers may be directed, in rendering their accounts to the Controller, to attach a certificate, in the appended form, which should lead to the exhibition of all deviations of the nature alluded to.

2. This arrangement is not, I am to say, intended to dispense with the necessity that already exists for Executive Engineers to obtain the sanction of the proper authority to any such alterations that may be thought necessary.

CERTIFICATE.

I HEREBY certify that, with the exceptions detailed in the accompanying statement, I have not allowed any departure from the measurements and specifications of sanctioned estimates. I also certify that the accompanying statement exhibits, to the best of my knowledge, all cases in which existing estimates require revision.

Statement showing deviations in the course of actual construction of works from the sanctioned specifications and dimensions Excluding deviations already reported.
