Proceedings of the Madras Government, Public Works Department,
11th August 1871.

No. 104. Read the following Endorsement of the Acting Consulting Engineer for Railways, dated Madras, 26th July 1871, No. 328.—

From the Acting Agent and Manager of the Madras Railway Company, to the Acting Consulting Engineer for Railways, dated Madras, 20th July 1871, No. 436.

I HAVE the honour to forward herewith, for submission to Government, a plan and estimate for additional watering arrangements at the Ghooty station, and request that you will be so good as to obtain and communicate to me authority for the expenditure, amounting to Rupees 7,979.

2. The present supply of water is not sufficient to meet the locomotive requirements, and as there appears very little prospect of arriving at a larger supply by deepening the well, the Acting Chief Engineer* proposes to sink a new one near the bank of the nullah, west of the station, where there is a copious supply of water.

* No 401, 19th July 1871

3. The whole amount of the estimate will probably be expended during the current year, and should be charged to the heading "unforeseen requirements," thus —

	Budget allotment, unforeseen requirements	Already charged hereto	Proposed expenditure.	Balance available

Additional well staging and piping at Ghooty station .	1,35,000	58,695 1 6	5,843 0 0	70,461 14 6

SUBMITTED to the Government.

2 The well, the staging over it, and the pipes to the tank-house, are required to meet the demand for water at the Ghooty station, and as the estimate of Rupees 7,979 exceeds Rupees 5,000, I recommend that application for sanction on the Capital Account be made to the Government of India, under paragraph 5 of their Resolution No. 49 A—R, dated 6th February 1871.

G O., No 595, dated 1st March 1871

2. Funds are available from the Budget provision for unforeseen requirements, Rupees 1,35,000
