Proceedings of the Madras Government, Public Works Department, 17th August 1871.

No. 188. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 31st July 1871, No. 1,223.—

ADVERTING to G. O., No. 193, dated 24th July 1871, in which sanction is conveyed to the entertainment of the temporary establishment as per margin,

	Rs
1 Accountant	100
1 Assistant do	25

I have the honour, under paragraph 30* of the Uncovenanted Servants *Vade-mecum*, to request the sanction of Government to the continued employment of Mr. J. R. Taylor for the period in excess of one month during which his services may be absolutely necessary.

* Page 5.

2 Mr. Taylor was formerly employed as an Auditor on this establishment, and his services were dispensed with under G O., No 120, dated 19th May 1870, on account of prolonged absence from duty. The preparation of the statements called for by the Accountant-General of the Public Works Department, and for which Mr. Taylor's services were engaged, required a full knowledge of the accounts as kept in this office, and as none of the Divisional Auditors could be spared for the duty, I thought it most advisable, in the interests of Government, to employ Mr. Taylor.* For the first few days of Mr. Taylor's engagement he worked under my supervision during the regular office hours, but owing to the receipt of a telegram from the Public Works Accountant-General, urging the necessity for the immediate submission of the required returns, I instructed Mr Taylor to give all his spare time to the work, on the condition that extra labour would be paid for accordingly.

* In the post of Accountant

3. The statements of Income-tax, etc., realizations for the last four months of 1864-65 and following years were dispatched to the Public Works Accountant-General on the 28th instant. No information being available in this office in respect to the realizations in the Public Works Department from income and other taxes anterior to January 1865, all such receipts having then appeared in the Civil Accounts, I have, in communication with the Accountant-General of Madras, deputed Mr. Taylor and the temporary Assistant abovementioned to aid the Accountant-General's Establishment in compiling the returns for the years 1860-61 to 1863-64, and for the first eight months of 1864-65. These arrangements, I trust, will meet with the approval of Government.

No 189. ORDER THEREON, 17th August 1871, No. 2,107.

ESTABLISHMENT, No. 20.

UNDER the circumstances explained in this letter the Government sanction the continued employment of Mr. Taylor for the period in excess of one month during which his services may be absolutely necessary, and they approve of the arrangements reported for compiling the returns of income and other tax realizations prior to January 1865 required by the Accountant-General, Public Works Department.
