*Proceedings of the Madras Government, Public Works Department,
18th August 1871.*

No. 221. Read again letter from the Controller of Public Works Accounts,
dated 18th July 1871, No. 1,098 —

Read also the following Endorsement of the Controller of Public Works Accounts,
dated Madras, 31st July 1871, No. 1,221.

From Rev. S. D. SCUDDER, M. D., in charge of Raneepett Dispensary, to the
Controller of Public Works Accounts, dated Arcot, 26th July 1871.

In reply to your communication requesting information as to the purchase
of a pair of bullocks out of the money granted for erecting a building for caste
patients, I have the honour to state—

I.—That by attending to the building myself I managed to save from the
amount allotted, as per estimate, (namely, Rupees 1,200,) more than 300 Rupees.
This fact I stated to Colonel Wilkieson, R E, and asked permission to use this
money in matters connected with the repairs, etc., of the Dispensary. He informed
me that I might use it in such matters.

II.—The Government granted me money to dig a well in the Dispensary
ground. The work was begun, but it was found that there was not sufficient money
to finish the well. I then proposed to transfer Rupees 100 of the saved money
to the well. This was sanctioned. The remainder of the money I used in repair-
ing the Dispensary building, and as there was Rupees 100 left after these repairs
were finished, and as we could not use the well without a pair of good bullocks,
and as I felt at liberty to use the money for the purposes of the Dispensary, and as
the officer in charge of the range, upon being consulted, did not object, I bought
a pair of bullocks for the purpose of drawing water from the well for the use of
the Dispensary and Hospital. I would remark that the well without the bullocks
would be perfectly useless, as it is a very deep one, and water could not be drawn
in any other way.

I trust that these explanations will be deemed sufficient.

SUBMITTED to Government, with reference to their Proceedings, No. 200,
dated 25th July 1871.

(Signed) S. BROCK,
Controller of Public Works Accounts.
