Proceedings of the Madras Government, Public Works Department, 23rd August 1871.

No. 297. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 29th July 1871, No. 1,435.—

ADVERTING to paragraph 11 of G. O., No. 1,803, dated 7th July 1871, I have the honour to inform you that the Lunatic Asylum at Waltair has already been reported completed, as will be seen from my letter embodied in G. O., No. 76, dated 12th June 1871. A large saving was effected from the total estimated cost, namely, Rupees 60,316; but as the Executive Engineer reported that there is still some work required to the well, etc., in the compound of the Asylum, for which he stated an estimate will be submitted as soon as the official visitors have settled what description of work they require, a sum of Rupees 734 out of the Budget grant, namely, Rupees 1,800, has been reserved for the work above referred to, and the balance, namely, Rupees 1,066, was, therefore, proposed to be transferred to other works.

2. As Government have, in the order above referred to, allotted funds for the Chodaveram Cutcherry, and as money is required for the construction of night latrines in the District Jail at Vizagapatam, the estimate for which was sanctioned in G. O., No. 1,867, dated 15th July 1871, I request you will be pleased to obtain the sanction of Government for transferring the sum of Rupees 1,066 under reference to the latter work.

No 298. ORDER THEREON, 23rd August 1871, No. 2,164.

ACCOUNT, No. 35.
