Proceedings of the Madras Government, Public Works Department, 23rd August 1871.

No. 299. Read the following letter from the Acting Superintending Engineer, 8th Division, to the Secretary to Government, Public Works Department, dated Camp at Covilputty, 7th August 1871, No. 1,570 —

In reference to G. O., No. 1,731, dated 28th June 1871, calling for a report on Acting Talook Overseer Nagalingum Pillay's qualifications, I have the honour to report that Nagalingum Pillay was examined in levelling, surveying, and plan-drawing, by the Assistant Engineer in charge of the Madura Range, who considers him well up in these subjects, as will be observed from the accompanying copy of Mr. Leggatt's letter, No. 221, dated 22nd July 1871.

2. Nagalingum Pillay has a good knowledge of accounts, and is a very good Estimate-maker; and I am of opinion that his abilities are such as to afford a guarantee that he is likely to rise in the department, the more especially as he is very painstaking and conscientious in the discharge of his duties Nagalingum Pillay bears a high character for propriety of conduct, and belongs, as I am informed, to a very respectable family. I have found him always exceedingly trustworthy, and I have no hesitation whatever in bringing his case thus prominently to the notice and for the favourable consideration of the Government because I have every confidence in his ability and integrity.

No. 300. Order thereon, 23rd August 1871, No. 2,165.

ESTABLISHMENT, No. 33.

Under the circumstances brought to notice in this letter His Excellency the Governor in Council is pleased to approve of Nagalingum Pillay's appointment to officiate as Talook Overseer in the Madura District.
