Proceedings of the Madras Government, Public Works Department, 24th August 1871.

No. 328. Read the following letter from the Acting Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Camp at Bhowany, 7th August 1871, No. 86 :—

With reference to G. O., No. 230, of 31st July, I have the honour to state that I can only propose a transfer of Rupees 680 from a non-budget work, namely, workshops for the European Infantry Barracks at Cannanore, allotment granted in G. O., No. 1,803, of 7th July 1871. This will still leave a balance of Rupees 358 to be provided for deepening wells at Cannanore, by transfer from the Budget Item No. 14, renewing floors of the European Infantry Barracks at Cannanore. As no other funds are available, and as it is necessary that the expenditure incurred on the wells should be covered by an allotment, I request that the sanction of the Supreme Government may be obtained to this transfer.

2. I would take this opportunity of soliciting the transfer of a further sum of Rupees 1,925 from the same source, namely, Budget Item No. 14 to new flooring to the two blocks of West Hill Barracks at Calicut, estimate Rupees 2,340, sanctioned in G. O., No. 1,058, of 22nd April 1870, as it is very desirable that this work should be put in hand at once.

3. The total sum of Rupees 2,283 above noted as available is a saving on the estimate of renewing floors of the European Infantry Barracks at Cannanore, partly due to the work having been done below the estimate, and partly to the plank flooring of certain Serjeants' rooms being dispensed with at the request of the Military authorities, as these rooms are required for drying rooms for men's clothes, and not as Serjeants' rooms.
