Proceedings of the Madras Government, Public Works Department, 28th August 1871.

No. 349. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 25th July 1871, No. 1,383 :—

With reference to G. O., No. 1,149, dated 24th April 1871, in which an estimate for constructing a drop weir near Bheemaveram sluice has been sanctioned, I have the honour to request you will be good enough to move Government to make an allotment for the work from the Reserve for Agricultural Works, Ordinary.

2. If Government are unable to provide funds for the work from the above source, I request that I may be permitted to authorize the execution of the same from the allotment for "Repairs Agricultural," the outlay, if necessary, being transferred to the head Original Works when funds can be allotted from the Reserve.

No. 350. Order thereon, 28th August 1871, No. 2,190.

IRRIGATION, No. 27.

The Government are unable at present to allot funds for the construction of a drop weir at the end of the Samulcottah canal, the estimate for which was sanctioned in G. O., No. 1,149, dated 24th April 1871, but they will endeavour to do so should savings be reported later in the year ; meanwhile no expenditure should be incurred on the work from the repair grant.
