No. 399. Read the following Endorsement of the Revenue Department, dated 11th August 1871:—

Proceedings of the Board of Revenue, dated 31st July 1871, No. 3,183.

Read the following letter from the Acting Collector of Chingleput, to the Acting Secretary to the Board of Revenue, dated Saidapet, 5th July 1871, No. 301.

THE claims of Messrs. Fowler, Bradshaw, Cramp, and Bartlett to compensation for land taken up by Government in connection with the Madras Water Works Project having been disposed of by Government in their Orders noted in the margin, I have the honour to request that the Board will be good enough to provide me with funds to pay them the sums sanctioned, which amount to Rupees 13,410-15-0, and, this being added to the claims Mr. Blair has already settled, the total amount required for immediate disbursement is Rupees 20,135-7-4.

Vide Orders of Government, 22nd May 1871, No. 901, and 19th June 1871, No. 1,088.

2. To the credit of this amount I have in deposit only Rupees 170-6-9, being the balance of the sum (Rupees 10,000) sanctioned by Government in their Order, dated the 13th May 1871, No. 1,317, so that I now require sanction for a further sum of Rupees 20,000 to meet claims already disposed of, and which I request may be obtained, as, if the cases already settled are not satisfied soon, claims for interest may, I fear, arise.

3. I ought to add that many other claims are under investigation and will be disposed of shortly, so that I shall require still further funds, probably 20,000 Rupees, before the close of the year.

SUBMITTED for the sanction of Government.

TRANSFERRED to the Department of Public Works.

Secretary to Government.

No. 400. ORDER THEREON, 30th August 1871, No. 2,213.

O., No. 1,803, dated 7th July 1871, making a total of Rupees 20,000. The Government are not at present in a position to supplement this amount, but they will endeavour to do so from savings which may hereafter be reported.
