Dated 30 8 1871.

Not to be folded or roughly handled

Read the following papers:—

No. 405. From the Superintending Engineer, 6th Division, to the Secretary to Government, Public Works Department, dated Puttucottah, 12th July 1871, No. 332.

I HAVE the honour to inform you that Rupees 11,971 were sanctioned for the completion of the Central Jail at Trichinopoly on the 22nd May, of this sum only Rupees 8,700 were provided in the Budget of 1871-72, and under G. O., No. 1,516, dated 5th June, the Executive Engineer, Trichinopoly, was directed to resume work. No allotment, I observe, has been made to cover the balance required to complete the works in either of the G. Os. noted in the margin; but, as a sum of Rupees 4,756 appears still to be available from the Provincial Reserve under Civil Buildings, I beg that the balance, Rupees 3,271, required for the completion of the Central Jail, may be provided from the Reserve.

G. O. No. 134.

No. 1,651, of 19th June 1871, with Provincial Budget, No. 1,803, of 7th July 1871.

No. 406. From the same Officer, dated Tanjore, 2nd August 1871, No. 396.

I HAVE the honour to observe from the Provincial Fund Budget which accompanied G. O., No. 1,651, dated the 19th June, that the sums allotted for the completion of the Subsidiary Jails are not the correct balances of the works, the errors appear to have arisen owing to the deduction from the amounts of the works of the sums shown as required (in column 7 of the statement submitted with letter from this office, No. 576, dated the 8th October last) to prevent deterioration of work already completed; those sums, however, were not allotted except for the work marginally noted, for which a sum of Rupees 793 was sanctioned in G. O., No. 591, dated the 28th February, but of which only Rupees 256-10-3 were expended in 1870-71. The errors are also in a measure due to the deduction of the full sums allotted for the works in G. O., No. 1,136, dated the 29th April 1870, instead of the actual expenditure incurred upon those allotments. I beg to enclose a statement showing the sums allotted for the works in the Provincial Budget of 1871-72, and the balances still required to complete the works. I have included in this the balance Rupees 3,271 still required to complete the Central Jail of Trichinopoly, applied for in letter No. 332, dated the 12th July, as well as a sum of Rupees 168 required to pay to the contractor of the work marginally noted on account of work executed last year. A sum of Rupees 585 was allotted for this work in G. O., No. 1,136, dated the 29th

1 Statement.

Constructing two large wards, with out-houses, at Parembalore. Estimate Rupees 5,000.

Constructing out-houses for the Sub-Magistrate's Cutcherry at Trivalore. Estimate Rupees 2,200.

April 1870, but as the Range Officer stated that the expenditure on the work during the year would not exceed Rupees 300,

Removing old buildings, etc.	...	100
		300

as shown in the margin, the difference Rupees 285 was surrendered in letter from this office, No. 1,020, dated the 28th February last, but the work actually executed in removing the old buildings, etc., amounts to Rupees 268, and the difference Rupees 168 is due to the contractor.

2. It will be observed from the enclosed statement that the balances still required to complete the Subsidiary Jail works, etc., provided for in the Provincial Budget amount to Rupees 6,305, and I would solicit the allotment of this sum to admit of the completion of the works. I observe, however, from G. O., No. 1,803, dated the 7th July, that the balance at the disposal of Government from the Provincial Reserve under "Civil Buildings" is only Rupees 4,756; if the difference above referred to cannot be fully met by transfers from other districts, I would suggest that the completion of the Sub-Jail at Negapatam, of which a portion only has been brought up to the basement level, should be postponed, and that the sum of Rupees 3,400 allotted for it should be appropriated to provide a portion of the difference required to complete the other works shown in the statement, the balance Rupees 2,495 being provided from the Reserve of Rupees 4,756 at the disposal of Government.

No 2216 - 30th Aug 71

Requesting provision of funds for the completion of the Central Jail at Trichinopoly from the Reserve

lent of which only Rs. 256-10-3 were
expended in 1870-71. The errors are also in a
measure due to the
deduction of the full sums allotted
for the works in G.O. No. 1136 dated the
29th April 1870 instead of the actual
expenditure incurred upon those allot-
ments - I beg to enclose a Statement
showing the sums allotted for the works
in the Provincial Budget of 1871-72 &
the balances still required to complete
the works - I have included in this the
balance Rs. 3,271 still required to complete
the Central Jail at Trichinopoly applied
for in letter No. 332, dated the 12th July
as well as a sum of Rs. 168 required to
pay to the Contractor of the works finally
noted in account of
work executed last year -
A sum of Rs. 585 was allotted
for this work in G.O. No. 1136 dated the 29th
April 1870, but as the Range Officer
states that the expenditure on the work
during the year would not exceed
Rs. 300 as shown in the margin
the difference Rs. 285 was ren-
rendered in letter from this office
No. 1020 dated the 28th February last, but
the work actually executed in removing
the -

"the old Buildings &c. amounts to Rs. 268
and the difference Rs. 168 is due to
the Contractor. -

It will be observed from the
enclosed Statement that the balances
still required to complete the Subsi-
diary Jail works &c. provided for in
the Provincial Budget amount to
Rs. 6,305, and I would solicit the
Statement of their sum to admit of the
completion of the works - I observe
however, from G.O. No. 1803, dated the 7th
July that the balance at the disposal
of Government from the Provincial Re-
venue under "Civil Buildings" is only
Rs. 4756 if the difference above
referred to cannot be fully met by
transfers from other Districts, I would
suggest that the completion of the Sub-
Jail at Oregapatam, of which a portion
only has been brought up to the lower
most level, should be postponed &
that the sum of Rs. 3400 allotted for
it should be appropriated to provide
a portion of the difference required to
complete the other works shown in
the Statement, the balance Rs. 2495
being provided from the Reserve
