Exd. S. T. Augustin,

Proceedings of the Madras Government, Ecclesiastical Department,
14th August 1871.

Read the following papers:—

No. 1. From the Commissary of the Diocese, to the Acting Chief Secretary to Government, Fort St. George, dated Yercaud, 17th July 1871, No. 179.

I have the honour to forward a letter from the Rev. J. D. Ostrehan, Chaplain of Vizianagram, complaining of the unfinished, dirty, and dilapidated state of his Church, and requesting me to solicit from the Government their promised assistance to complete the sanctioned improvements and to execute the necessary repairs.

2. It is now nearly three years since the Government were pleased to sanction the improvement proposed to the roof of the Church at Vizianagram at the estimated outlay of Rupees 1,340, directing that orders be issued in the Public Works Department for the execution of the work as soon as funds should be available.

Vide G. O., 20th Oct. 1868, No. 225.

3. The planking to the roof is nearly completed, but the work is stopped for want of funds, and the Church has been closed for more than a month.

4. As any further delay will be attended with great inconvenience and additional expense in the end, I beg most earnestly to second Mr. Ostrehan's petition for the sanction of His Excellency the Governor in Council to the required balance of Rupees 271 to complete the improvements, and of the amount of the enclosed estimate of Rupees 160 for the necessary repairs to the damaged flooring, &c.

Forwarded to the Public Works Department, with a view to its being ascertained whether funds can now be provided for the completion of the improvements referred to.
