*Proceedings of the Madras Government, Public Works Department,
1st September 1871.*

No. 8. Read the following letter from the Acting Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Camp at Pulladum, 3rd August 1871, No. 83:—

In the Proceedings of Government in the Revenue Department, communicated with Public Works G. O., No. 124, of 21st March 1871, the Government struck out an item of Rupees 1,200 for retiring rooms, etc., for Collector, Assistant Collector, and Deputy Collector in South Canara and their Cutcherry servants from the Revenue Budget for "Petty Construction and Repair," with the remark that "permanent additions to, or alterations of, public buildings should not be made except through the Public Works Department." I have now the honour to submit, for the sanction of Government, an estimate, accompanied by three plans, for a retiring room and privy for the Collector, and privies for his Assistants and Office establishments; in these plans the original arrangements have been modified to suit the wishes of the Collector and my own views regarding the latrines, in order that they may be adapted to the dry-earth system, and the cost now amounts to Rupees 920, or Rupees 280 less than the estimate at first framed.

2. As these works are all urgently required, I propose to provide for them by transfers from the Minor New Work grants of this Division under Civil Buildings, Provincial, as follows, namely:—

	RS.
South Canara District, available	262
From Coimbatore to Canara District	87
„ Malabar to do. do.	500
„ Neilgherry to do. do.	30
Total...	879

The balance of Rupees 41 being provided later in the year from any savings that may be available.

No. 9. ORDER THEREON, 1st September 1871, No. 2,230.

CIVIL WORKS, No. 1. THE Government sanction the plan and estimate, amounting to Rupees 920, for the construction of a retiring room and latrines for the Collector's Cutcherry at South Canara, funds being provided as proposed by the Superintending Engineer.

2. It is observed that the probable cost of the buildings is set down at Rupees 280 less than the estimate originally prepared, which was struck out of the list of works sanctioned by
