*Proceedings of the Madras Government, Public Works Department,
2nd September 1871.*

No. 23. Read the following letter from the Under Secretary to the Government of India, Public Works Department, (Establishment—Account,) to the Secretary to the Government of Madras, Public Works Department, dated Simla, 4th August 1871, No. 144 E—A :—

I AM directed to acknowledge the receipt of your letter, No. 1,767, of the 3rd ultimo, forwarding an application from Mr. Brock, the Controller of Public Works Accounts in Madras, to be relieved from retrenchment of the excess salary drawn by him from the 1st September 1870, to the 31st January 1871, under a misapprehension of the application of Notification No. 341, of the 7th October 1870, to the Accounts Branch of the Public Works Department.

2. In reply, I am directed to state that the retrenchment cannot be remitted, and to request a reference to Public Works Department letter, No. 141 E—A of the 23rd July, allowing Mr. Brock the option of continuing to draw the annual increments of the pay of his grade, under the old rules until he attains the maximum of Rupees 1,600 per mensem.

3. I am, however, to point out, with reference to the concluding clause of the 2nd paragraph of the letter under reply, that Mr. Brock is still in the first class of Controllers, the officers of the old incremental first class having, by the new arrangements, been divided off into two grades on fixed pay.

4. I am further to remark that Mr. Brock was the very officer who should have corrected any misapprehension on the part of the Government of Madras as to the effect of the new rules, and that he has disappointed the expectations of the Government of India in having failed to recognise that an arrangement which was never intended to give rise to enhanced cost in the higher grades could have permitted all the officers in one incremental grade to be immediately placed at its maximum limit.

No. 24. ORDER THEREON, 2nd September 1871, No. 2,238.

ESTABLISHMENT, No. 3.

COMMUNICATED to the Controller of Public Works Accounts, with reference to his letter, dated 24th June 1871, No. 825.
