No. 34. Read the following Endorsement of the Acting Consulting Engineer for Railways, dated Madras, 25th August 1871, No. 364 :—

From the Acting Agent and Manager of the Madras Railway Company, to the Acting Consulting Engineer for Railways, dated Madras, 17th August 1871, No. 480.

With reference to your letter No. 494, of the 12th instant, I have the honour to inform you that all the returns required to complete the Budget Estimate for 1872-73 have been prepared by the several departments, and are now in the hands of the Chief Accountant.

2. Under the Order which accompanied your letter the whole of this work will have to be done over again in a more elaborate manner, and it will, I fear, be quite impossible to get the revised Budget prepared until some considerable time after the date you name.

From the Agent of the Great Southern of India Railway, to the Acting Consulting Engineer for Railways, dated Negapatam, 21st August 1871, No. 4,154.

I have called upon the several departments to prepare a revised Budget Estimate for 1872-73 in the form alluded to in the papers which accompanied your letter No. 252, of the 12th instant, but I fear that the information cannot be collected within the time named by you.

Submitted for the information of the Government.

2. On the receipt of G.O., No. 2,043, dated the 8th instant, I requested the Agents to let me have their Budget Estimates early in next month (September) so as to allow of examination and references, if necessary, before submission to Government.

3. From the replies received from the Agents of the Madras and Great Southern of India Railways, I fear that the Budget, in the new form, can hardly be despatched to the Government by the end of September; but every endeavour will be made in this office to submit the Budget papers at an early date after their receipt from the Railway Agents.
