I AM directed to acknowledge the receipt of your letter, No 1,959, of the 26th July last, submitting an estimate, amounting to Rupees 1,40,965, for completing the survey of the proposed line on the narrow gauge system from Madras *via* Chingleput to Cuddalore, with an extension to form a junction with the Great Southern of India Railway, and recommending that Rupees 1,26,866 be passed on these accounts of which it is desired that Rupees 1,24,103 should be charged to Capital and Rupees 2,763 to Revenue.

2. In conveying the sanction of the Governor-General in Council to the disbursement of the sum of Rupees 1,26,866 from Construction funds, I am directed to state that although a mistake was apparently committed in the purchase of the inferior tents referred to in the 3rd paragraph of your letter, the Government of India cannot recognize any good reason in this case for placing any part of the charge against Revenue.

One lac twenty-six thousand eight hundred and sixty-six rupees.

3. I am to add that, in permitting the Carnatic Company to undertake the surveys for an extension from Cuddalore towards the Great Southern of India Railway, it must be clearly understood that the Government in no way binds itself to concede the construction of such extension, if made, to the Carnatic Company.

4. This sanction has been registered as No. 15 M. R. of 1871-72.
