PUBLIC WORKS DEPARTMENT

Proceedings of the Madras Government, Public Works Department, 16th September 1871.

No. 260. Read the following letter from the Assistant Secretary to the Government of India, Public Works Department, (Railway,) to the Secretary to the Government of Madras, Public Works Department, (Railway,) dated Simla, 1st September 1871, No. 1,617-R. —

It being stated in the *Koh-i-nur* Vernacular newspaper that on some lines of Railway a fee is levied from the vendors of fruits and sweetmeats to Native passengers at stations, and that these men make a profit by selling unwholesome food at high prices, I am directed to enquire whether this practice exists in Madras, and to suggest for consideration that, if the statement is founded on fact, it might be more advisable to fix a tariff for such articles of consumption, in place of levying a fee from the vendors.

No. 261. ORDER THEREON, 16th September 1871, No. 2,358.

RAILWAY, No. 26.

COMMUNICATED to the Consulting Engineer for Railways for report on the existing arrangements on the Railways in the Madras Presidency for the supply of refreshments to Native passengers, and for any suggestions that he may have to offer for the prevention of the abuses noticed by the Government of India.
