Proceedings of the Madras Government, Public Works Department, 20th September 1871.

No. 314. Read the following letter from the Acting Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Camp at Pulladum, 1st August 1871, No. 80.—

WITH reference to the concluding portion of paragraph 2 of G. O., No. 1,946, of 25th July 1871, I have the honour to inform you that the previous expenditure on the Swamp Reclamation Project is Rupees 18,512-6-8, and the current year's allotment is Rupees 2,200, making a total of Rupees 20,712-6-8, against its sanctioned estimate of Rupees 23,000. It is out of the unallotted balance of Rupees 2,288 that I applied for Rupees 400 as urgently required, which amount does not come within the meaning of paragraph 10 of G. O, No. 1,803, of 7th July 1871; I therefore beg it may be allotted from the source now available.

2. Deducting this sum from Rupees 3,023, leaves a net balance of Rupees 2,623 available, which I request may be allotted to the Talook Cutcherry at Dharapooram, in addition to the allotment of Rupees 5,000, provided in G. O, No. 1,803, of 7th July 1871, thus leaving only Rupees 1,286 balance of estimate to be allotted.

No. 315. ORDER THEREON, 20th September 1871, No. 2,389.

ACCOUNT, No. 32.

IN G. O., No. 1,946, dated 25th July 1871, the Government directed that a sum of Rupees 3,023, representing the unspent balance of the payment made to the Chief Commissioner of the Neilgherries on account of compensation for land taken up for the Ootacamund Water Supply Project should be recovered by the Executive Engineer and held at the disposal of Government. The Superintending Engineer of the 7th Division now requests that the amount may be appropriated to the works noted below, the first of which was understood, from the entries in the Budget, to require less than Rupees 500 to complete, and not therefore to need a special allotment.—

1. Swamp Reclamation at Ootacamund . . .. Rs. 400
2. Talook Cutcherry at Dharapuram in the Coimbatore District . ... ,, 2,623

Total Rs. 3,023

2. Under the circumstances explained in this letter the Government sanction the first of the proposed transfers, but as the balance is required for other works of pressing importance it will be held at the disposal of Government.
