No. 316. Read the following letter from the Superintending Engineer, 6th Division, to the Secretary to Government, Public Works Department, dated Tanjore, 26th August 1871, No. 475 :—

WITH reference to G. O., No. 1,712, dated the 26th June, I have the honour to forward the original decree passed by the Court of Small Causes at Negapatam on the appeal* preferred by Vythelingum Pillay, with the Range Officer's covering letter. It will be observed from the decree that the Court has reversed the decision of the District Moonsiff so far as it relates to the fine imposed on Vythelingum Pillay for non-completion of work, and has directed the sum of Rupees 499 to be paid to him with costs, amounting to Rupees 44-2-2. The total amount to be paid to Vythelingum Pillay thus becomes Rupees 543-2-2, or Rupees 150 in excess of the amount stated in my letter No 865, dated the 7th January 1871, and I request that authority may be granted for debiting the excess Rupees 150 to the estimate of the work in connection with which the suit was instituted. It will be observed from my letter above quoted that work to the amount of Rupees 565-12-3, or Rupees 22-10-1 in excess of the amount to be paid to Vythelingum Pillay under the appeal decree, has been executed by him.

ESTABLISHMENT, No. 39.

IN G. O, No. 2,612, of 26th June 1871, the Government authorized an appeal suit, instituted by a Contractor, Vythelingum Pillay, against Mr. Supervisor Donaghue for the recovery of a sum of Rupees 756-12-0, in connection with work done to the Moodicondanoor south bank in the Tanjore District, being defended in the first instance at the public expense.

2. From the record of the case now forwarded by the Superintending Engineer of the 6th Division it appears that judgment has been given in favour of the Contractor for Rupees 499 on account of work executed, and Rupees 44-2-2 as costs, being Rupees 150 more than the amount awarded by the District Moonsiff of Trivalore, before whom the case was originally heard, and Captain Oakes requests that sanction may be accorded for debiting the excess to the estimate for the work, which, after meeting the charge will, it is stated, still leave a sum of Rupees 22-10-1 at credit for work actually performed by the Contractor.

G. O., No. 228, dated 26th January 1871.

3. His Excellency the Governor in Council authorizes the excess being adjusted in the manner proposed.
