No. 397. Read the following Proceedings of the Board of Revenue, dated 25th August 1871, No. 3,687:—

Read the following letter from the Collector of the Godavery District, to the Acting Secretary to the Board of Revenue, dated Cocanada, 5th August 1871, No. 273.

I HAVE the honour to bring under notice that the provision of Rupees 288 made by me in the Budget for 1871-72 on account of the establishment for distributing water from the Yelleru river, authorized in the Government Proceedings, No. 2,715, under date 4th October 1869, has been omitted in the sanctioned Budget communicated to this office.

2. The retention of this establishment being absolutely necessary, I request sanction for disbursing monthly Rupees 24 on account of their salaries from the general savings under 4, Land Revenue, from which the charge was hitherto met, *vide* Proceedings of the Madras Government, No. 1,110, dated 22nd July 1870, communicated in the Board's Proceedings, Miscellaneous, No. 287, dated 29th July 1870.

3. It being a sanctioned charge, payments have been made from March to June.

THE Board observe that the establishment* for the distribution of water from the Yelleru river in the Godavery District, sanctioned in Government Order, dated 4th October 1869, No. 2,715, was by a mistake omitted in the Board's Proceedings, dated 27th July 1870, No. 5,053, recorded in Government Order, 23rd August 1870, No. 1,311, Revenue Department. The result has been that no provision has been made in the Public Works Budget of 1871-72 under the terms of Government Order, dated 9th December 1870, No. 1,990, Revenue Department.

* Cost Rupees 288 per annum.

2. The Collector now reports that the establishment has been maintained and paid as usual from March to June 1871, and wishes to know from what sources the cost is to be met, it having been omitted alike in the Revenue and Public Works Budgets for the current year.

3. The Board, therefore, request that orders may be passed in the Public Works Department in view to this item being met for the current year from savings in the Budget of that department, and for its being included in future years in the regular Budget.

No. 398. ORDER THEREON, 23rd September 1871, No. 2,433.

ESTABLISHMENT, No. 48.

UNDER the circumstances explained by the Board of Revenue, the Controller of Public Works Accounts will be instructed to charge, against savings in the Public Works Budget of establishments for the current year, the sanctioned pay* of the establishment employed on the distribution of water from the Yelleru river in the Godavery District,

* Rupees 288 per annum.

and that officer will be careful to see that the requisite provision is made in future Budgets.
