THE SECRETARY TO THE GOVERNMENT OF INDIA,

ESTABLISHMENT, No. 52.

SIR,—The Government of India have been pleased in their letter of the 3rd August 1871, No. 143-E. A, to intimate their acceptance of the nomination by this Government of Lieutenant Walker to officiate as Examiner of Railway Accounts, but have appointed him acting in the grade of Deputy Controller instead of that of Controller, 2nd class, 4th grade, to which Captain Moberly, the permanent incumbent, and Major Hankin, when officiating were both appointed in the *Gazette of India* of the 13th March 1871. By being appointed to *act* in the grade of a Deputy Controller, Lieutenant Walker is entitled to a deputation allowance of only Rupees 110 beyond the salary of a 2nd Assistant Engineer, and having since been in ordinary course promoted to 1st Assistant Engineer, the actual gain to him in the more responsible post in which he is at present officiating is only Rupees 10 monthly, while if he were officiating as a Controller of the 2nd class, 4th grade, he would receive an allowance of Rupees 175 in excess of a 2nd Assistant Engineer, or Rupees 75 beyond the pay of his present rank as 1st Assistant. His Excellency the Governor in Council considers the former rate of remuneration to be incommensurate with the labour and responsibilities devolving on Lieutenant Walker as Examiner of the Accounts of the Railway and Madras Irrigation and Canal Company, and he is of opinion that for the performance of the duties of an appointment which the Government of India have classed with that of a Controller of the 2nd class, 4th grade, he should receive either the higher deputation allowance, namely, Rupees 75 over the pay of a 1st Assistant Engineer, or such a sum monthly as will raise his salary to Rupees 550, the fixed pay of a Deputy Controller in which rank he has been graded.

I have the honour to be,
Sir,
Your most obedient servant,
