No 426. Read the following Endorsement of the Acting Consulting Engineer for Railways, dated Madras, 7th September 1871, No. 379 :—

From the Consulting Physician of the Madras Railway, to the Agent and Manager of the Madras Railway Company, dated Royapooram, 29th August 1871, No. 208.

I REGRET to report to you the sudden death of Driver Akehurst. He was on my sick report and I learn that this morning he seemed particularly well; suddenly, however, he began to vomit blood, and in a few minutes expired. He had died before I reached the house, and the immense quantity of blood he lost in a very short space of time leaves no doubt on my mind that he ruptured a blood vessel.

To the Acting Consulting Engineer for information.

1*st September* 1871. (Signed) B. ANDERSON,
Acting Agent and Manager.

From the Locomotive Superintendent, to the Acting Agent and Manager of the Madras Railway, dated Perambore works, 5th September 1871, No. 279.

IN reply to your No. 2,992, of yesterday's date, I beg to inform you that the age of the late Engine Driver T. Akehurst was 42 years and 8 months.

To the Acting Consulting Engineer for Railways for information, with reference to the inquiry contained in his letter No. 544, of the 2nd instant.

5*th September* 1871. (Signed) B. ANDERSON,
Acting Agent and Manager.

SUBMITTED for the information of Government.

Dear Sir,

I regret to report to you the sudden death of Driver Shepherd. He was on my sick report, and I learn that this morning he seemed particularly well & suddenly, however, he began to vomit blood, and in a few minutes expired. He had died before I reached the house, and the immense quantity of blood he lost in a very short space of time, leaves no doubt on my mind that he ruptured a blood vessel.

Yours faithfully
