Proceedings of the Madras Government, Public Works Department, 26th September 1871.

No. 443. Read the following letter from the Officiating Superintending Engineer, 5th Division, to the Secretary to Government, Public Works Department, dated Pennaur Anicut, 12th September 1871, No. 130 :—

WITH reference to G. O., No. 2,256, of the 5th instant, I have the honour to state that the amount (Rupees 1,043) required for restoring the Moganoorputty Suria Gounden Anicut and Channel in the Utangherry Talook of the Salem District, can be transferred from the sum of Rupees 3,847 granted in G. O., No. 1,803, of the 7th July 1871, for the construction of an anicut across the Swathanuddy river at Kistnapuram in the Ahtoor Talook of that district.

2. Nothing can be done to the Kistnapuram anicut until the revised plan and estimate, called for in G. O., No. 2,642, of the 11th August 1869, have been sanctioned by Government. These were submitted to the Chief Engineer for Irrigation in January 1871, but they have been returned for want of certain particulars; and the Range Officer reports that he will not be able to visit the talook and re-submit the estimate before October next.

No. 444. ORDER THEREON, 26th September 1871, No. 2,456.

IRRIGATION, No. 25.

As it appears from this letter that the allotment of Rupees 3,847, sanctioned in G. O., No. 1,803, dated 7th July 1871, for the anicut across the Swathanuddy river at Kistnapuram in the Salem District is not immediately required for expenditure, His Excellency the Governor in Council resolves to authorize the transfer of Rupees 1,043 to the Moganoorputty Suria Gounden Anicut, Salem District, sanctioned in G. O., No. 444, of the 13th February 1871, and to hold the balance (Rupees 2,804) at the disposal of Government.
