No. 454. ORDER THEREON, 27th September 1871, No. 2,461.

ACCOUNT, No. 42.

As there appears to be no doubt that the value of the work actually executed to the Streeviguntum Periacolum tank in the Tinnevelly District was in excess of the amount now charged for, the Government authorize the Controller of Public Works Accounts to pass the expenditure on the vouchers submitted, but the delay in applying to the Public Works Department for a completion certificate after the repairs were finished ought to have been avoided.
