Proceedings of the Madras Government, Public Works Department,
27th January 1871.

No. 497. Read the following letter from the Superintending Engineer, 6th Division, to the Secretary to Government, Public Works Department, dated Tanjore, 21st December 1870, No. 835:—

With reference to G. O., No. 2,364, dated 30th September, approving of the dismissal of Mr. Overseer Doyle from the Department Public Works, I have the honour to enclose an application from Mr. Doyle, requesting that he may be pemitted to resign his appointment in the Department Public Works, instead of being dismissed, for, if dismissed, he will be precluded from obtaining employment in the Government service. As he is still quite a young man, and dismissal will mar his prospects for life, I would recommend that Mr. Doyle's request should be granted.

No. 498. Order thereon, 27th January 1871, No. 247.

ESTABLISHMENT, No. 50.

Looking to the circumstances under which the services of Mr. P. Doyle were ordered to be dispensed with, and seeing with how much forbearance his long continued disregard of his duties has been treated, the Government are unable to acquiesce in the application now made on his behalf.

Sir.

With reference to the Proceedings of Government dated the 30th. September dispensing with my services, I respectfully beg to state that while I fully admit the justice of the Order of Government therein contained, I am sensible of how entirely it must affect my future prospects in life; and I therefore beg to request that in consideration of the fact that the offence for which I have been punished was committed at a time when youth, inexperience, and imprudence may be pleaded, you will be pleased kindly to represent my case for the consideration of Government with a view to their allowing me the option of resigning, so that the time and labor I have spent in qualifying myself for the service, may not be spent in vain, which would be the case if I should be dismissed and rendered disqualified for further service under Government. With the hope that the Government will be induced to grant me this indulgence—

I beg to remain,
Sir.
Your Most Obdt. Servt.
Pat. Doyle.
