Proceedings of the Madras Government, Public Works Department, 28th September 1871.

No. 489. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 15th September 1871, No. 2,529:—

ELEVEN estimates for repairs to certain buildings in the Government House, Guindy Park, have been received for sanction; but under the orders of Government, No. 389, dated 8th February 1871, all repairs to Government Houses have been classed under the head Imperial, and as no grant was provided for in the Imperial Budget for such repairs I have the honour to request that the sum of Rupees 3,000, provided for in the Provincial Budget for repairs to Government House in the Chingleput District, may be transferred to the Imperial Budget, to enable me to accord sanction to the estimates which aggregate to Rupees 1,043.

2. I take this opportunity to request that the sum of Rupees 3,000, entered in the Budget of Provincial Service for Government House repairs in the Presidency District, may also be transferred to the Imperial Budget.

No. 490. ORDER THEREON, 28th September 1871, No. 2,480.

CIVIL WORKS, No. 20.

THE Superintending Engineer of the 4th Division is mistaken in supposing that the Order of the 8th February 1871, No. 389, provides for the Government House buildings in the Madras Presidency being classed as "Imperial." The allotments entered in the Provincial Budget for the repair of the Government House, Madras, and that at Guindy in the Chingleput District may be appropriated by the Superintending Engineer in accordance with the rules.
